Hello Nathan,

I expect the tolling agreement will be signed sometime this week.

Once it is signed, DNR can send you a pdf and mail two originals to you. DNR will want a signed original returned to us for our files.

Thanks,

Hello Nathan,

We have two minor modifications to the Bremerton Gas Works Tolling Agreement.

- 1) In Section 5 Notices, the DNR contact will be:

KRISTIN SWENDDAL, AQUATIC RESOURCES DIVISION MANAGER  
WASHINGTON STATE DEPARTMENT OF NATURAL RESOURCES  
1111 WASHINGTON ST. SE  
PO BOX 47027,  
OLYMPIA, WA 98504-7027

- 2) In Section 6 Governing Law and Venue: Interpretation, DNR requests that the jurisdiction be changed from King County, Washington to Thurston County, Washington.

Megan Duffy, Deputy Supervisor for Aquatics and Geology, will be signing the tolling agreement.

Let me know when you will be sending a modified document for DNR to sign. Alternatively, we could attempt to modify the pdf you sent. If you have any questions or concerns about these modifications, please contact me.

Thank you for your time,

**Lindie Schmidt**

Hello Lindie –

On behalf of Cascade Natural Gas, see the attached draft tolling agreement for the Bremerton Gas Works Superfund Site for DNR's review for execution. Also attached is a cover letter that sets forth the rationale and timelines that necessitate the agreement. As stated in the letter, we will need to have feedback from DNR on or before April 15<sup>th</sup>.

Please contact me if you have any questions.

Best regards,
